## ABOUT US -

**Imdadi Group** was established in the year 1911 as a small trader. Over the period of time we have expanded our business and won the trust of the people of Raipur and beyond. The name Imdadi itself is synonymous of trust, loyalty and honesty.

The business that we are into are trading all construction related products from cement to sanitary to paints under one roof for both our end customers and channel partners. We are trying to make a supply chain ecosystem in which we can deliver the best of products and services to our customers.

We are also catering our retail customers through our showroom in which we provide all construction related products under one roof. The various services from designing your house from an architect, interior decoration, civil contractors, painters, carpenters, false ceiling contractors, water proofing contractors, plumbers, tile contractor, electrician, etc. are provided under one roof as per your requirement.

### **Our Accomplishments**

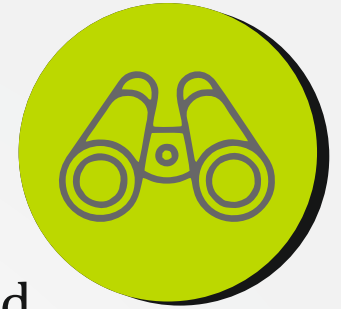

We are one of the largest dealers of Ultratech Cement in India with volumes of 12000 MT per month. We cater 12 districts and have a dealer network of more than 400.

### **Our Vision**

To provide our Channel Partners and Customers with all construction related products and services under one roof.

# VISION

To provide construction solutions to channel partners and customers under one roof offering credible value and attaining excellence in customer service.

# MISSION

1. To grow by continually providing useful and significant products, services, and solutions to markets achieving greater levels of expertise.
2. To continually innovate, develop seamless processes; adopt state-of-the-art technology in methods to enhance sales and cost effectiveness.
3. To develop a highly skilled team that makes us an employer of choice.
4. To expand into new areas that build on our competencies and customer interests developing long lasting relationships.
